New Bern's Store for Women

85 Middle Street

A NEW STORE! NEW GOODS! NEW PRICES!

This store was opened October 5, 1912. In the first three months
I sold more

LADIES' COAT SUITS AND COATS

than any other three stores in New Bern combined. This is not
idle boast. It is the truth.

SECRET OF MY SUCCESS: I have a resident buyer in New York
who knows the market well, and always finds manufacturers of
Cloaks and Suits who are closing out at 50 cents on the dollars.

I can therefore give better quality for less money than any other
merchant in town who buys in the heat of the season and must pay
a price bigger than the one which I sell.

The people found it out in less time than I thought it possible,
and I had a rush on

CLOAKS AND SUITS

Now, remember: I lead in Cloaks and Suits both in better
quality and lower prices

WHAT NEW BERN HAS

New Bern, North Carolina, has a population of 16,000; white graded school; colored graded school, home of the Pepsi Cola plant, sixteen lumber mills, some of these mills are the largest and best equipped in the country. In addition to these there are four fertilizer factories, two ice plants, large cotton oil mill and factories manufacturing agricultural implements, boxes, barrels and baskets, boilers, machinery, etc. Has electric light and gas plants, for lighting, power and fuel, four banks, one National and three State, one five-story office building, 25 miles of concrete side-walks with granite curbing, and thirty-five blocks paved with vitrified brick, has one of the best fish and oyster markets on the coast. New Bern has six deep artesian wells that supplies the city with pure and wholesome water and is under sanitary regulation. One excellent sewerage system is in operation and every law of health is observed. Has three modern hotels, with numerous high-class private boarding houses.

New Bern is a city of churches. All denominations are represented. The Methodist, Presbyterians, Baptist, Disciples, Episcopalians, Roman Catholics, Hebrews and Christian Scientists. New Bern has a continuous stretch of inland water of over 100 miles, affording delightful motor and sail boating, yachting, fishing and hunting. One of the best equipped fire departments in the country. The people are exceedingly hospitable, cultured, refined and industrious.

New Bern is the county seat of Craven county, one of the best counties in the State, situated on two beautiful deep rivers, Neuse one and a quarter miles wide and the Trent one-half mile wide.

Look it up up on your map and come.

NEW BORNE NEW BERN.
