Boys' Hi-Y to Sponsor "Get Acquainted" Week

The increase in students this year calls for a Get Acquainted Week sponsored by the Boys' Hi-Y. The purpose of this project is two-fold; to give the students a chance to meet other students, and to raise money. The Hi-Y has gotten the names of all the students in the school and put their names on cards with red and black ribbon attached to them. The students may buy their name cards from Hi-Y members for ten cents. This project will be held this week, October 5th through 9th.

Two years ago the Boys' Hi-Y had a project similar to this. They are now planning to have it each year for the benefit of the freshman

Student Government **Checks Point System**

A point system committee has been set up in the Student Govern ment for the purpose of checking the number of points which each student has acquired through extracurricular activities. The limit this year for an Honor Roll student is twelve, while those whose grades are below ninety are allotted a maximum of ten. Nancy Ferrell was named chairman of this committee. Jack Grady and Chris Bremer are to work with her.

The Council has allotted \$45 to pay for additions to the high school Handbook, "These sections are to be used and not thrown away. We can get trash for the school grounds for a much cheaper price," says Robert Kennel, Student Government President.

Mary Elizabeth Powell and Mary Catherine Shields are planning to attend a Student Council convention to be held at Albemarle during the year.

Bear Cub Joins N.S.P.A.

In order to raise the standards of your school paper, the BEAR CUB for the first time in the paper's history, has joined the National Scholastic Press Association.

The purpose of the N.S.P.A. is to aid in improvement of scholastic publications. Its chief aim is to help staffs and advisors to meet high standards of excellence.

N.S.P.A. activities include giving publications thorough criticism. giving honor ratings to publications, and sending a mimeographed bulletin of ideas, suggestions, and throughout the year.

This organization, the oldest press association in existence, was founded in 1921 at the University of Wisconsin as the Central Interscholastic Press Association. In 1927 the association moved to the University of Minnesota and changed its name to the National Scholastic Press Association. The School of Journalism, University of Minnesota, has sponsored the N.S.P.A. since 1927, with Fred L. Kildow, associate professor of journalism, serving as director.

P. T. S. A. HOLDS FIRST MEETING

12-2 Wins Attendance Prize

PRICE: TEN CENTS

On Monday night, September 28, the New Bern High School Parent-Teacher-Student Association held its first meeting of the '53-'54 school year in the Central school lunchroom. Mrs. Jimmy Gaskins, president, was in charge, and Miss Emma Ruth Bennett gave the devotional. It was announced that the Senior Girls' Hi-Y has assumed the responsibility of conducting the devotional at each of the meetings throughout the year.

After the teachers were introduced to the parents, a discussion was held on the coming bond election for school funds.

When the attendance was taken it was discovered that Miss Asbell's homeroom, 12-2, had the largest number of parents and students present. Hence, they won the tickets to the Kehoe Theatre which were donated by Mr. Dick Wade, manager of the theatre.

At the close of the meeting refreshments of lime-ice and cookies were served.

The meetings are held once a month in order to promote parental interest in the school and to generally increase understanding and cooperation among the parents, teachers, and students.

Radio Announcers Chosen

On Monday afternoon, September 28, tryouts were held in room T-28 for the positions of radio announcers for this school year. Each year a boy and a girl are picked to conduct our high school program, "News and Views of New Bern High," which is heard on station WHIT weekly. Among those who tried for the jobs were Barbara Williams, Roddy Martin, Bettie Bland, Pat Simonds, Jerry Cole, Ila Grey McIwean, Marion Herrington, Nelson Quinn, and Ben Epps.

The judges for the contest were Miss Pat Bundy, Mrs. Hyacinth Lancaster, and Mr. Ray Williams, manager of WHIT.

The contestants were judged on the quality and carrying ability of their voices. Scholastic standings were also taken into consideration, as was the speed with which they read selected passages.

Pat Simonds and Jerry Cole were chosen to conduct the program for the first semester, after which Barbara Williams and Nelson Quinn will assume the roles of Masters of Ceremony.

Miss Pat Bundy and Miss Lucie Hodges will work with the radio announcers this year.

Betas To Continue Clean-Up Campaign

The Beta Club, under the advisorship of Mrs. Lila Smallwood, plans to continue the clean-up campaign which was conducted so successfully last year. Under their direction the rooms will be inspected periodically and graded according to the cleanliness of the desks, floors, and boards. The homeroom having the highest number of points at the end of each week keeps the plaque inscribed "We have the cleanest room in N.B.H.S."

Well, here we go with the year (53-54), old friends meet, discuss their summer activities, tell new jokes, and in general get the ball rolling for another happy and successful year.

In the halls new groups form and couples stroll along discussing all the wonderful activities planned for the coming year.

As usual the freshmen walk around in amazement, with a kind of stupefied look on their faces. Everything is so marvelous that it makes them quiver with excitement.

The feeling that you get when you first start high school is something that one cannot express in words. It is a feeling of joy, excitement, Senior Girls' sorrow, and dismay, all jumbled up into the most wonderful feeling that can ever be imagined. When you pass on to your sophomore, junior and senior years, this thrill loses get that feeling that you had when recently. you were a freshman.

NEW BERN BEARS DEFEAT JACKSONVILLE

The powerful New Bern Bears led by a group of hard-driving backs and a stubborn line won their fourth straight ball game of the season Friday night. This time the victim was Jacksonville. At the half-time mark, the score stood 20 to 7 in favor of the powerful Bears, although the J-ville team played a good game. Preacher Parker again turned in a great game at his quarterback position. Bob Burnette, George Slaughter, and Billy Atkinson again proved their ability to gain yardage.

The New Bern band and cheerleaders were on hand, of course, and gave a splendid performance at the half.

BEARS DEFEAT ROANOKE RAPIDS BY 20-6 MARGIN

The New Bern High School football team got revenge at Roanoke Rapids week before last for a previous defeat when they handed the Yellow Jackets a one-sided 20 to 6 defeat on the Roanoke gridiron.

The Bruins gained control of the ball early in the game when the Jackets were forced to quick kick after making no headway against the stout New Bern line. The ball landed on the 19 yard line from where the Bears drew a 15 yard penalty, placing the ball on their own 4 yard line with 96 yards to go to pay dirt.

From that point, Preacher Parker, New Bern's ace signal caller, took control of the game and moved the ball down field in a series of 15 plays. Slaughter and Burnette carried the load on the ground while Captain Robert Kennel snagged tally of the evening when he skirted good and the Bears led 7 to 0.

New Bern's second touchdown came in the second quarter when the Jackets were again forced to punt on third down. This time the pall sailed into the end zone and by legal rule the Bruins gained possession of the ball on the 20 yard line with first down and ten to go. In 13 plays the Bruins moved 80 yards with Parker scoring from the three yard line on another end around. Burnette's second try of the evening was good and the Bears possessed a 14 to 0 lead at half time.

After a brilliant band display at kicked off to New Bern to start the action.

New Bern moved the ball up to their own 36 yard line from where they lost possession on a fumble. This time the Yellow Jackets were determined to score. Robert Deaver, Roanoke quarter back, pulled the New Bern defense to his right and passed to Tommy Williamson at left end who scampered the remaining distance to pay dirt. The try for the extra point was no good and the score stood at 14 to 6.

The ball changed hands a number of times for the remainder of the period with neither team crossing the goal. Late in the fourth quarter Roanoke Rapids was forced to punt again. This time the ball carried the short distance to their own 28 yard line.

From this point in the game the Bears moved to the 1 yard line where a fumble cost them the touchdown. But two plays later misfortune plagued the Roanoke squad and they, too, committed a costly fumble. This time the Bruins were determined and Slaughter plunged over the line for the score. Burnette's final try for a conversion was blocked and the final score stood at 20 to 6 in favor of New Bern.

Outstanding for the Bears on of fense were Parker, Slaughter, and Captain Robert Kennel. Atkinson, Jones, Bordeaux, and Andrews were the main defensive standouts.

Well, sports fans, here we are with the first issue of the BEAR CUB for 1953. The journalism class has big plans for this year's paper and hope to publish the best ever to hit the halls of N.B.H.S.

The same is true for the sports page. The three persons striving to bring you up to date on all the sports news will be Bob Burnette, Allen Joyner and yours truly. Any suggestions for the improvement of half time, the two teams returned this page can be handed to any to the field and the Yellow Jackets member of the staff and will be greatly appreciated.

LATE NEWS

A good many students around school have been heard to make the statement that some news in the BEAR CUB is old or out of date, especially athletic contests. would like to take this opportunity to inform these students that all articles for the paper have to be handed in approximately one and one-half weeks before distribution throughout the school. As you all know, a lot can happen in this length of time, therefore making it impossible to get these events in the paper until the next issue, and also making the events that are appearing seem out of date. So if you happen to run across one of these articles, please understand.

FOOTBALL REVIEW

Turning now to the sports scene, the main interest at present is on the gridiron at Kafer Park where Coach Joe Caruso's New Bern Bears play their home games.

Reviewing the season so far, the Bruins raised the curtain on their 1953 season September 11th when they played the Beaufort "Seå Dogs' and came out of the contest with a 40 to 19 victory.

This victory was expected by all but the real worry came a week later when the Bears returned to Kafer Park and faced the acid test against Coach Choppy Wagner's highly rated Washington Pam Pack. The words "highly rated" are not to be used unmeaningly in this case. for the Pam Pack was believed by many to be one of the strongest teams in the conference, and possible North Eastern Conference Champions. The Washington eleven came on the field with an air of confidence and at game time fans and players alike seemed to realize that they were in for some rough and rugged gridiron action. These expectations were fulfilled during the first half which ended in a 7 to 7 deadlock. But the Bruins returned to the field in the third quarter and broke open the game. Breezing through the last quarter, the Bears emerged from the action with a 26 to 7 victory at the expense of the Pam Pack. The big punches in this game came from Preacher Parker and Slaughter in the backfield. Congratulations, fellows, for jobs well done.

The following week the Bears hit the road for Roanoke Rapids and presented the Yellow Jackets with a 20 to 6 defeat, this victory being

Bears Trounce Washington 26 to 7 On September 18 for the first time

since 1946 New Bern beat the Pam Pack. They came out of the game with a 26 to 7 victory at the hands of Washington.

With a nip and tuck ball game the first half New Bern fans were kept in suspense until the latter part of the third quarter. When New Bern broke away from Washington and kept the ball game unuer control thereafter.

The Bears got an early lead when they marched down the field for a touchdown with Parker faking a quick opener and reversing his field for the score. Burnette added the point after touchdown.

The Bruins threatened to score in the first of the second quarter, but it was halted by a fumble. The Pam Pack took advantage of another fumble near their goal line and Burgess tallied for the score and added the extra point.

Coming back in the third quarter Parker passed to Sasser for a score. Burnette missed the extra point. Another score came when Parker went to the distance or forty yards for the third tally. Burnette failed again on the conversion.

The last score came when Sasser, replacing Slaughter, scored on two yards out. Burnette added the extra point. Coach Caruso replaced the squad with his reserves, and the game ended with a score of 26

Outstanding on defense were Kennel and Bob Clement, Charlie Smith, Doug Nelson, and David Jones.

Outstanding on offense were Parter, Sasser, and Slaughter.

Young, Lucas, and Wichhard led the Pam Pack's defense while Bishop and Burgess were stand outs on offense.

It Happened On A Friday Library Club

No, not Friday the 13th! Friday, September 18. New Bern Bears met the Washington Pam Pack. I'm sure that's explanation enough of the significance of the day.

Even before school opened preparations were in order for this big game. oCach Joe Caruso had been putting the boys through rugged training, getting them in shape to make this the year for a Washington defeat. New Bern fans were not disappointed. Although a close game for a while, it was evident from the start that the Bears were the stronger team.

With players such as New Bern has. Washington didn't have a chance. With Bud Parker at quarterback, with his strategy at calling plays and passing ability, and Slaughter, our hard-driving full back in there, Washington started the game behind. Then there was Sasser, whose pass receiving is always a boost to the team. Always a threat to our opponents are Atkinson, Hancock, and Burnett, with their elusive speed to bring in the touchdowns. Of course in every game there must be a strong line, and with Robbie Kennel, Roy Riggs, David Jones, Doug and Jimmy Nelson, Bob Clement, Foster Bordeaux, Charlie Smith and Marvin Huggins, how can our line help but be strong. Always in there keeping the team strong is Kenneth Brown, a great little quarterback.

These boys make up a team the Pam Pack will remember. Our thanks to you, Coach Caruso, for the grand job of coaching you do in our various sports.

Coach Caruso and his boys were not all who had been preparing for this day, for what's a football game without the band. Mr. Walters, our band director, has been giving some workouts all his own, getting our band in shape to be a credit to the school, and he surely did a wonderful job.

Majorette tryouts were held with Miss Shirley Crutchfield, Mr. Donald Smith and Mr. Walters choosing six of New Bern High's most talented high steppers to represent the school.

Chosen again this year after doing such a great job last year were pretty strutters Peggy Hudson. Bobbie Barnes, and Lillian Harrison, who was chosen head majorette by the band members. Congratulations, Lillian.

Working with them this year for the first time, are Kay and Carol Ridgeway, new students at New Bern High who hail from Tennessee. These cute sisters are really great baton twirlers. Kay and Carol have already twirled competitively in contests at Chicago, Elkhart, and the national baton twirling contest in Indianapolis in which Carol placed third.

Betty Davis is also new as a majorette, but not new in New Bern. has been taking baton twirling leslons for some time under Miss Shirley Crutchfield and she really gives Bland. Girls, you're doing a swell Hardman, Fellowship; Doug Sasser, ing the words "analyze" and "anata good performance out there in front of the band.

A new drum major was also chosen to take the place of Johnny Funk, who graduated. He is Marion Cleland.

I'm sure you've noticed those 11 alert girls, who add so much to the spirit of our various games, making preparations, too. These girls, of course, are none other than our cheerleaders.

The head cheerleader this year is light haired Barbara Williams who is a senior and has been a varsity cheerleader two years. Betty Kellum, also a senior, is assistant head cheerleader. The nine other girls who make up the team are,

THE PARTY LINE

The opening of school brings back This year we will attempt to go both old acquaintances and new. The Party Line is just waiting for with our favorite tunes to make the news, so let's get on the phone and see what's new

Not many romances lasted through a catchy melody or a song title can the summer, but it looks like Harriet and Frank are still going together. It must be love!

Even Party Line can't keep up with Nelson and Carl! They can't keep all those cute girls on a string or can they?!!

Doris B. has landed herself a football player. I won't tell his name, but his last initial is Benninghoff. Careful, Doris, don't let him get away! I've heard quite a few girls speak well of him.

Boys, there are a lot of cute freshmen this year: Connie H., Ann B. and Francis S., to name a few. Gals, be careful! These Seniors have quite a line! Right, Roddy?

I see Pat S. has renewed her interest in a certain football player with the initials of Robert Kennel. Better hold on to him, Pat, he's a wonderful guy!

Larry B., I thought you were carrying the torch for Carol O. You seemed happy with a new majorette at the dance. What's her name, Ridgeway?

Freddie, a certain Senior girl seems to be giving you the old runaround. I wouldn't worry . . . I hear a certain Sophomore is still interested.

Who is this preacher's son from Bridgeton? I think M. D. is really interested! You better think it over, Jimmy, she's a mighty cute

It sure is lonesome this year without the Senior boys of '52-'53. It seems the majority of them are going to State. It looks like the girls are already planning a trip to Raleigh: right. Peggy?

Gatesy has formed a fan club all by herself. She can really keep a fellow busy with her fifteen-page letters!

We certainly have a wonderful football team this year, Sylvia P. seems to think, although Barbara W. seems to like Beaufort for some reason or other.

I certainly was surprised to hear Barbara E. was dating Sammy Mc. Now that boy really gets around!

I'm glad to see Bobbie B. and Hubert R. finally got settled. You two had me worried for a while.

Charlie P. has me worried. Is it going to be Soulee or Joyce R.? And what happened to you, Scoogie? Get in there and fight! He can't have both of them!

Martha Jane, is it true that you have a burn for Joe Mac H.? He's quite a lover with lots of experience.

Preacher, what's the matter with you and "Sweetie"? Can't you find anyone that suits you, or aren't you looking?

Betty K., how are you going to live without Lee? Do you need a shoulder to cry on? Try Tody's!

Somebody's trying to phone so 'll hang up until next issue. Be careful what you say, I might be listening!

If I'm studying when you come in, please wake me up.
