

VOLUME III, NUMBER 2

NEW BERN, N. C., NOVEMBER, 1955

PRICE: TEN CENTS

D. E. MEETING; LAURA WALTERS WINNER

First place winner in a job-application contest during the annual Eastern District Distributive Education Club meeting held on Wednesday, Nov. 2 at New Hanover high school in Wilmington, N. C. was Laura Walters, a senior in our school.

Laura was urged to enter this contest by Miss Miriam Koch, local teacher of the D. E. course, and sponsor of the D. E. Club, and Mr. C. V. Rogers, manager of the local Penney's Store, with which Laura is now employed.

Also attending the meeting from N. B. H. S. were the two official delegates, Karen Quinlivan and Ted Carey, and Miss Koch, Nancy Arthur, Jerry Fisher, Iris Cuthrell, Jo Etta Hopkins, Ethel Jarman, Pat Lawrence, Evelyn Lewis, Pat Rowe, Faye Simpson, Euclid Armstrong, Alice Bryan, James Hardy, Charles Hargett, Charles Jenkins, Betty Moring, Joe Pat Smith, Albert Moore, Katherine Sanderson, Shirley Duell, Gloria Sue Reeves, and James Edwards.

The group left on the athletic bus Wednesday morning around 9:45 a.m. Upon arriving they registered and went to Trinity Methodist Church, across the street from New Hanover High School, where the meeting was opened with a devotion after which an announcement was made for all contestants for job applications and the speech contest to be dismissed in order that they could get prepared for the contests.

After they had gone the meeting continued with greetings extended from the Mayor, Don Cameron, of Wilmington, Mr. Jack Fales, President of New Hanover Student Body, Mr. H. M. Roland, Supt. of New Hanover Schools, Mr. Dale K. Spencer, Principal of New Hanover High School, Mr. J. L. Allgood, President of Cape Fear Sales Executive Club, and Mrs. T. D. Love, Exec. Secretary of the Merchants Association. A secretary-treasurer report was given by Faye Horne of Wilmington.

Entertainment by Charles Cook and Russell Carter of Wilmington was thoroughly enjoyed by all. A report on the National Convention was given by Mattie Williams of the Goldsboro Club. An introduction of candidates was made by the presiding officer.

At 11:30 the meeting was adjourned for lunch in the N. H. H. S. cafeteria. During the lunch hour a tour was made of the entire school.

While the meeting was going on the speech and job application contests were being held.

In the job application contest Laura Walters had to go in the office and greet the secretary, who gave her an application to fill out. After that was filled out she was led into the manager's office where she was questioned by the Manager and then she was introduced to the assistant manager who also asked her some questions.

The judges for this contest were: Mrs. C. E. Cumming, assistant manager of Sears-Roebuck and a D. E. trainer; Mr. B. O. Killian, Personnel Manager of Belk-Beery, D. E. trainer, and associated with the Cape Fear Sales Executive Club; and Mr. Herbert Fisher, Personnel Manager for Mutual of Omaha.

After the tour a movie called "The City of a Million Azaleas" was shown after which the preliminary contest winners were announced by Miss Joan Wyman, Raleigh Co-ordinator.

Jr. Class Magazine Sales Exceed Last Year's Sales

This year the Junior Class of 1955-56 topped last year's sales of \$2,092 by selling \$2,252. This is the highest record of magazine sales in the history of New Bern High School.

The two high salesmen were: first place, Claude Hardison, who sold \$153.78 and second place, Needham Crowe with \$141.06. Claude has a choice of either a Bulova watch, a three speed phonograph, an Ansco Camera, or two Dixie Classic tickets. Needham "Happy" Crowe has a choice of an Ansco Camera Kit, a Sheaffer Duo Set or one Dixie Classic ticket.

Salesmen taking the Dixie Classic tickets get rooms free in Raleigh during the classic plus one dinner each.

The Junior Class made a little over \$775 which is a rise of more than \$100 from last year. We will pay for one-half of the awards and the Curtis Publishing Company an equal amount.

Each day a name was drawn from a box holding one slip per Jr. with their name therein inscribed. The high winner for this part of the sales was Elaine Elden, who won \$4 by having sold four subscriptions on the fourth day.

Another big prize was won by Gail Evans. This was the Treasure Chest. To choose this winner, all of the high salesmen from each day (the high for each homeroom) had their name placed in a box and at the end of the sale Gail Evans' name was drawn. She has a choice of an Ansco Kit or two Dixie Classic tickets.

The two high homerooms were 11-2 with \$724.89 (Mrs. Brinson's A-2) and 11-3 with \$414.87 (Mrs. Smallwood's C-8). All of the students from 11-2 who participated in the sales will go to the Raleigh Coliseum for a basketball game.

Special Recognitions:

1. Mrs. Smallwood—for her time and cooperation.
2. Betty Jane Smithwick—Junior Class Business Manager.
3. All homeroom captains—for their work and time.
4. All students who participated in the sales for relieving the Seniors' minds as to whether or not they would have a Jr.-Sr.

Did You Know?

DID YOU KNOW: that as of the dance after the Kinston game, which was sponsored by the *Bear Cub*, there will be no more dances sponsored by Clubs? The dances held after basketball games will now be sponsored by the school and the proceeds will go towards the general fund.

RADIO ANNOUNCERS

By STELLA ALLEN

During the middle of October at 8:00 p.m. around fifteen students from the Senior Class met at WHIT radio station to try out for the positions of radio announcers. That night each person was given two pages of typewritten material to read, and these were put on tape recording.

Three weeks later the WHIT radio announcers and the sponsors of the Script Club met and discussed the ability of each candidate. After much debate they finally selected Bobby Pate and Mary Elizabeth Powell announcers, Martha Kay Maultsby and Kermit Guthrie, alternates.

The first program was broadcast Wednesday night, November 9, from 9:05 to 9:30. News and Views of New Bern High School may be heard each week over this same station at this same time.

SCOUT TROOP GUESTS OF DR. SPEAR

By OLNEY BERSCH

Eighteen boys from Explorer Troop 437, Durham County, were weekend campers of November 4 at the home of our principal, Dr. R. S. Spear, and Mrs. Spear, on the Neuse River.

Dr. Spear was the Explorer advisor for the previous four years.

During the weekend Dr. Spear accompanied the group on a tour to Cherry Point where different times of planes were lined up for them. The group also inspected Coast Guard ships at Fort Macon.

When Dr. Spear was asked to relate some of his interesting or humorous experiences during his scout work, he replied, "One time the boys were on a camping trip with two new army tents when a hail storm came up with hail as big as golf balls. The hail ripped through the tents, putting big lumps on some of the boys' heads and broke eye glasses that some of the others were wearing."

NCSCC

On Sunday, October 23rd, Bill Boyd, Charlotte Kennel, and Susan McCotter accompanied by Mrs. Hunnings traveled to Rocky Mount for the twenty-ninth annual meeting of the North Carolina Student Council Congress. The theme for this year's Conference was "Make the Right Popular."

On Sunday evening, following registration, an informal program designed to acquaint the delegates was presented by students from Rocky Mount High School. This meeting was closed with a film on United Nations.

Monday morning, Dr. John Messick, in his keynote address "How Can We Make the Right Popular?" congratulated the delegates as being representative of the best and encouraged them to cultivate right moral precepts and to ever be alert to the right type of action. As a basis for his message he used Romans 12:2—"As a man thinketh in his heart, so is he."

Following lunch, the delegates attended discussion groups where student leaders guided the thinking along such topics as: (a) How can the student council assist in developing responsible school spirit? (b) How can the student council provide a good year long program of activities for the student body? (c) How can the student body be educated to elect capable qualified students to the student council? (d) What is a good program to improve student behavior? and many others.

A banquet and dance Monday evening were enjoyed by all.

Tuesday morning was devoted to the election of officers, selection of convention site for 1956, and reports from advisors' committees, and discussion groups. Officers for 1955-1956 include President Bill O'Brien, Vice-President, Ralph Holshouser; Secretary, Nancy Rosenthal. The convention is slated for Wilmington, North Carolina.

Homecoming Parade

One of the most talked about and enjoyed spectacles of this past month was the Homecoming Parade. This parade featured floats from the numerous clubs and organizations of the high school.

In the Script Club car rode the newly chosen radio announcers whose identity was revealed at this time.

One of the most beautiful floats in the entire parade was the Student Council float. On this float rode the Homecoming Queen, Patricia Roe, and her attendants—Dorothy Taylor, Celia Hahn, Kitty Ferebee, Martha Kay Maultsby, Phyllis Phelps, Laura Walters, Pat Allen, Diane Bowman, and Hetty Hogan.

There was a prize of \$10.00 offered for the most original float. The Monogram Club walked away with this prize.

MISS STEVENSON NEW HOME EC TEACHER

This is the second of a series of articles concerning interviews with the new teachers of New Bern High School.

The teacher this month is Miss Jean Stevenson, who stands five feet nine inches tall, has brown hair and hazel eyes, and is a graduate of East Carolina.

Miss Stevenson, who is originally from Seaboard, North Carolina, was asked how she liked New Bern High School and she replied, "I like it fine and feel that it's an inspiration to be teaching here."

Among Miss Stevenson's likes are sports, music, dramatics, and home economics.

We welcome you, Miss Stevenson, to the faculty of N.B.H.S. and hope you will be here for quite a number of years.

BARBECUE SUPPER

The journalism class sponsored a barbecue supper Wednesday night, November 2, in the high school cafeteria from six to eight o'clock. A delicious plate of barbecue, cole slaw, hush puppies, and pickles, and a glass of iced tea was served to all who attended.

Deliveries were made to around 150 people at their homes from five until six o'clock by Olney Bersch, Carolyn Holloway, Sonia Mattocks, Sara Lou Gaskins, Jack Fales, Johnny Gaskins, and Jackie Blanford.

Mrs. Roy Tucker, lunchroom supervisor for the high school, and Mrs. W. J. Gaskins supervised the serving.

Jack Fales was awarded a free barbecue supper for having sold 43 tickets, the most sold by any one person.

The class sponsored this supper in order to get money for a better *Bear Cub* in the future, so be on the look-out for more events sponsored by the journalism class and support your school paper.

Alma Mater Presented To Students

A New Bern High School Alma Mater Song was recently written by Charles Harper and set to music by Mr. David Walters, Band director of the New Bern City Schools, and was introduced to the student body in assembly Friday, November 11. This song has a dignified tune resembling that of a hymn. According to Mr. Walters, it will not replace the present "fight song," familiar to us all as "our high school song" but will serve its own purpose along with the march which has become a part of our school tradition.

Mr. Walters stated that many people have asked why such a song as this new one would not be written. Much thought was given last year to a composition of this type. This year when Charles composed the verse, Mr. Walters, after gaining the approval of Dr. Spear, collaborated to compose the tune.

The *Bear Cub* staff is proud to present below the words:

"HAIL, RED & BLACK"

By Charles Harper and Mr. David Walters.

Hail to Thee, O, New Bern High School and her colors, too,
We'll forever more be loyal,
For we're proud of you,
The brightest star of all,
Whose radiance shines;
New Bern High School how we love
The colors of our school
All shall also be Thine.

What Thanksgiving Means to YOU

By CAROLYN HOLLOWAY

Just what does that word mean to you. Or, better yet, what have you experienced after coming in contact with this word?

Back in the grammar grades it meant brown paper turkeys with green and red striped tail feathers. Maybe some of you were lucky, and with your family went off to visit relatives in the country. This probably left two main impressions: a sweet-smelling overgrown thing that reminded you of Mother's baked Sunday chickens and Granddaddy at the head of the table praying for *ever* and *ever* so long while you and your cousins pinched and snickered at each other.

A couple of years later you left off going away and, instead, stayed home only long enough to fuss over whose turn it was to do the dishes after a big meal.

Maybe last year Thanksgiving was just another day in which you thought up reasons during the prayer for your having the family car after dinner.

Let's try something different this year. Let's listen to that prayer and find out what our family is thankful for. Our country has set aside one day a year for one special prayer. Let us not forget that it is a prayer of "thanks giving".

Thanks Booster Club

Our high school should be very grateful to the Booster Club for undertaking the project of putting lights on the new athletic field. They are doing this for N. B. H. S. as a project for their organization since no funds are available for this through the school budget.

The officers of the Booster Club are: President, Fred Shipp; Vice-President, Joe Slater; Secretary and Treasurer, Mark Dunn.

Need Glasses?

By TERRY MUNFORD

Do so many of our students really need glasses? You'd certainly think so from the way the speed limit sign of 10 miles an hour is either read wrong or altogether ignored. Nine out of ten students that drive on the campus don't even attempt to obey this law. There is a sign at the very entrance of the campus in plain view stating the speed limit.

If you won't think of yourself, at least think of others when you go tearing across the campus. Give the people who walk a chance to try to protect themselves.

It's Worth Joining

By SARA LOU GASKINS

Have you joined the P. T. S. A.? If not, why not? This is an organization for the benefit of the school. Its objects are as follows: (1) to promote the welfare of youth in home, school, church, and community; (2) to raise the standards of home life; (3) to secure adequate laws for the care and protection of youth; (4) to bring into closer relation the home and the school; that parents and teachers may cooperate intelligently in the training of youth; (5) to develop between educators and the general public such united efforts as will secure for every youth the highest advantages in physical, mental, social, and spiritual education.

The Parent Teacher Student Association is entering its fourth year of existence in our high school. Students do not have to just go and sit not taking any part in the meetings, but they have the same rights as teachers and parents.

Each year the secretary has been a student. This year the position is filled by Nancy Ferrell. The devotions are under the direction of the Hi-Y's, and often students are called on to help with the program and also to help in the field of hospitality.

It cannot be said that the P. T. S. A. is a dead or dull organization where you go and listen to some "ole fokey" speak, but instead it is all ed with life, and I'm sure if you have ever been to one of its meetings you will agree with me. I attended every meeting except one last year, and I can say that I really enjoyed every one. Believe me, at P. T. S. A. there's never a dull moment! Why don't you come next time?

THE CHOIR'S TRIP TO GREENVILLE

By SUE ALLEN

Members of the New Bern High School A Capella Choir left Thursday, October 21, on the athletic bus to begin practice with 250 more choir students for the concert which was on Friday, October 22, in the Wright Building, for the teachers who were attending a meeting at East Carolina College.

They arrived in Greenville at 2:00 and went directly to the Austin Building where, under the direction of Dr. Kioer, the choir director of East Carolina College, they practiced until 5:00. Supper was served and at 7:00 a short concert was given by the college choir.

Practice began again and lasted until 9:00, after which there was a social in the student union until time to leave for home.

Returning to Greenville on Friday, rehearsals began at 10:15 and lasted until they were dismissed at 12:00 for lunch. Back again at 1:30 for more rehearsal.

The concert was given at 3:45 in the Wright Building. A few of the songs which the students sang were "Ado Romas Te," "Let All the World in Every Corner Sing," "Cornberry Corner," and "Knight of My Knights" (from the Broadway production "Kismet").

The students from our choir who attended were Bobby Holton, Eddie Stallings, Billy White, Alex Watson, Sidney Corbette, Jackie Grady, Sonia Mattocks, Shirley Brinson, Sylvia Perry, Suzanne Perry, Nancy Brunjes, and Elizabeth Barnhardt.

MAJORETTES AND HONOR STUDENTS

By BILLY JARRELL

The fifth formal assembly of New Bern High School was held on November 2. It was opened with a moving and stirring devotion by Shirley Brinson, a member of the Junior Girls' Tri-Hi-Y. The subject of her devotion was "Living With Others."

Chris Bremer, Student Council President, then introduced New Bern High School's majorettes, Jean Stokes, Jo Carol McDaniel, Edith Bodenheimer, and Linda Gail Robinson, who gave a short program of "Baton Twirling". These girls are to be commended on their fine work. We can truly say that New Bern High School is proud to have these girls as their majorettes.

Following this colorful program, announcements were made, and Chris turned the assembly program over to Mr. Donald Smith who requested that all "Honor Roll" students stand and be recognized.

Assembly closed by the students standing and singing "Hail, O Hail to New Bern High School" with the dignified Seniors leaving first.

THE BRUIN

By MARY ELIZABETH POWELL

For as many years as most students and teachers can remember, New Bern High School has been blessed with the good fortune of having a yearbook. This yearbook has been appropriately named *The Bruin*. This is in honor of our school mascot, the bear.

This year something new has been added to our yearbook. As most of you know, nearly all of what goes into our book is kept "hush, hush" until it comes out in the spring. However, your reporter was able to obtain from this year's illustrious editor, Bud Bledsoe, this heartening news. The title page of this year's book will be in our traditional red and black school colors. On pages eight and nine there will be a four color process picture. The company printing our book gave us this color picture free for having the first sixteen pages of our book completed by September 1st. All the major division pages will be in duo-tone color. There will be more pages.

The editor also related this startling fact: there have been more annuals sold in N.B.H.S. this year than in any previous year.

All of you students, I am sure, realize that memory can play tricks on us. However, your annual will capture these memories in words and pictures and hold them fast. Our achievements, the school's achievements, and all our friends and teachers will forever be locked in the covers of this book. (I bought my yearbook. I hope you did.)

Mrs. Illa Mae Roebuck is the editorial advisor. We take our hats off to these teachers who have given their time and effort to create a superior and unforgettable yearbook for 1955-1956.

COMPLIMENTS OF

ALWAYS FIRST QUALITY

Strictly Informative

By MARY ELIZABETH POWELL

This month we are going to discuss what some students consider one of the hardest but most liked subjects in New Bern High School—Chemistry. Mrs. Barbara Brock is the local high school teacher of this subject. When I asked Mrs. Brock for some information on Chemistry, I didn't expect her to write an entire article on it, but, you know something, she did!

Here is what Mrs. Barbara Brock has to say for Chemistry:

"Chemistry! I love it—Why doesn't everyone? When you find out tell me so I can understand.

"In spite of the fact that Chemistry and mathematics are my favorite subjects, I think English is the most important one. What good is it to know something and not be able to express it or put it into words that other people can understand. That, I think, should be a great asset to the English teacher—the ability to express what they know in language that is understandable to any and every level of mental development.

"Enough of that—this morning, I told some of my students, I think it surprised them, that in general education, history was more important than Chemistry. Why not? In at least six years every one of those people will be noting and helping to determine the fate of our nation.

"Gee, where does chemistry come in—Here—just to help make sense to the universe, to see the wonder of the meticulous orderliness of all things. For those who do not know what Chemistry is, we might say it is a study of any substance in existence. Then what is left out of this gigantic field? Nothing. When this is realized and we consider the number of books printed and in circulation today, can't we get a faint glimmer of the immense amount of knowledge yet to be learned or discovered? It is a challenge to study and ponder upon the laws that control all matter. The task would indeed be hopeless if there were no common denominations (I love math too) in this study but there are many. That all matter occupies space gives us one, that all matter has weight gives us another one, and on and on we could go finding both rhyme and reason in all science. I love rhyme (I believe everyone should memorize some poetry *every* week) and reason (I think geometry is loads of fun, don't you?) Now Chemistry has both.

"To know simple reactions and so be capable of understanding to some degree the process going on about us constantly in nature and in industry adds richness and appreciation to our lives and as someone has so aptly expressed it, it gives us something to think about as we go about the humdrum activities of living, be it washing dishes, riding a tractor, making beds, or selling automobiles. This is why *everyone* should study Chemistry.

"Why the few who are interested in and capable of becoming scientists should study it is a different matter and much more technical."

DEVOTIONS

By CAROLYN HOLLOWAY

At least once a day we should take time to commune with God and thank Him for our blessings of food, health, and friends.

Have you ever caught yourself saying, "Oh, I just didn't find time yesterday." In the Bible we are taught to pray at noon, evening, and early in the morning.

There are many ways of communing with our Lord. Prayer, singing praises to His name, Christian fellowship, or our sitting quietly in a still place for meditation.

Certainly our Maker is worthy of a few moments of meditative devotion.

The United Nations' International Children's Educational Fund Hal-lowe'en Treat-or-Trick which took place Monday night, October 31 was a big success.

Donations collected by more than eighty people amounted to over three hundred and fifty dollars. This money will go to help some sick or hungry children of the United Nations. Now maybe our donations will avert some of the tragedies of this nature.

Those who participated in the operation had a wonderful time collecting the money and at the Hal-lowe'en party which followed.

Won't you help this organization next year?

Girls' Basketball

By CAROLYN HOLLOWAY

Starting practice for both J. V. and Varsity girls' basketball was October 31 in the New Bern High School Gym. Miss Frances Fischel is coaching all of the girls and of the fifty-three that went out at least forty are left.

This year Coach Fischel is forming a J. V. team composed of Freshmen and sophomores. However, this does not restrict the Freshmen and Sophomores from playing on the varsity squad.

The varsity squad will include fifteen girls from the Sophomore, Junior and Senior classes. They have twelve games scheduled and the J. V.'s have eight planned.

The captains will be chosen by the individual teams while Coach Fischel will choose the managers. So far two girls, Carolyn Arnold and Alice Smith, are trying for the position of varsity manager.

SPORTS ROUNDUP

By A. D. SAWYER

New Bern 0; Rocky Mount 13

The Rocky Mount "Blackbirds" breezed in Kafer Park heavily favored but leaving with somewhat of a scare thrown at them.

Held scoreless in the first half, the Blackbirds were not able to score until the closing minutes of the third quarter and on a quick pass with twenty seconds left in the game.

The defense headed by Donald Andrews, A. D. Sawyer, Wilbur Jackson, Gordon Clark and Kermit Guthrie again were the standouts for the locals and held the Blackbirds to less yards rushing than the "Bears".

Outstanding on offense included Billy Atkinson, Pete Baches, and Booty Swindell. John Hogan turned in an excellent game as quarterback.

New Bern 41; Greenville 0

Commanding a large crowd, the Bears seen in College Park in Greenville and walked away with a one-sided game, the final tally being 41-0.

Billy Atkinson, outstanding back, crossed the goal line for four touchdowns and added each extra point. Bursting through holes, made by our offensive line, he seemed like a jack-rabbit scampering for the New Bern goal.

Again the defense played an excellent game and held Greenville to a minimum of yards rushing.

New Bern 0; Elizabeth City 19

Mistakes caused the Bears to fall prey to their Northeastern Conference foe in Kafer Park on Friday night, October 31.

The entire night the locals were backed on their own goal line due to two blocked kicks, penalties and a costly fumble. With these odds against them the Elizabeth City Yellow Jackets were able to score three times.

Backed on the goal line the Bears seemed impassible. Such standouts included Donald Andrews, Kermit Guthrie, Kenneth Morris, A. D. Sawyer, Gordon Clark, Wilbur Jackson, Chris Bremer, and Billy Atkinson.

The Yellow Jackets' last touchdown came on a drive from the one yard line and a pass in the closing seconds of the game.

New Bern 13; Durham County 0

With only a week left before they would meet Kinston to decide the champions of the Northeastern Conference the Bears played host to the Durham County Knights.

Jumping to an early lead, Coach Caruso substituted freely and came out again with a one-sided score, 38-0. John Riley Ross stood out for the locals with his broken field running and scoring twice for the Bears.

J. V. FOOTBALL

The J. V.'s played an eight game schedule. Up until the Kinston game they had won 7 and lost 0. They played the following teams:

| Team | Score | Place |
|------------------|-------|-------|
| Washington | 34-6 | There |
| Roanoke Rapids | 20-6 | Here |
| Jacksonville | 33-0 | Here |
| Pamlico Varsity | 14-6 | There |
| Beaufort Varsity | 15-13 | There |
| Greenville | 33-0 | Here |
| Elizabeth City | 14-6 | There |
| Kinston | ? | There |

The J. V.'s still had to play Kinston when this paper went to press.

The following boys make up the J. V. team this year: Louis Zaytoun, End; Phil Nelson, Tackle; Billy Ernul, Guard; Bobby Blake, Center; Wallace Holton, Guard; Roger McLawhorn, Tackle; Donald Lamb, End; Charles Carraway, Quarterback; James Ross, Halfback; Charles Davis, Fullback; Robert Gillikin, Halfback; Jack Lewis, Halfback; Robert Wheeler, Center; Joe Caruso, Quarterback; Clifton Gentry, Halfback; Tommy Harmon, Fullback; Tom Sawyer, End; Tommy Turberville, Fullback; Harvey Franks, Tackle; Mike Long, Guard; Billy Lansche, Tackle; Johnny Gaskins, Tackle; and David Wilson, Quarterback.

Jack Lewis was the high scorer with 60 points for the season.

Basketball '55-'56

By ROYSTON "JACKIE" BLANDFORD

On October 27, forty-five boys reported for basketball practice. After football season, the number is expected to reach from 60 to 65.

Practice was started in the new gym with James Allen Lancaster and Bob McLawhorn reporting back from last year's team. Carlton Smith, because of a bone injury, is lost for the early part of the season.

Durwood Hancock, Pete Baches, and Chris Bremer, also from last year's team, were playing football at this time but were expected to be on hand immediately following the football season.

Jon Meadows, a transfer student from Tennessee, is a newcomer to the squad.

John Burwell from last year's outstanding J. V. team is making a good bid for the varsity.

The team will play an 18 game schedule, opening at Jones Central on December 1. The first home game is in December against Beaufort which is, at the present time, state champions among class A schools.

The New Bern High School varsity will enter two tournaments this season. A Christmas Tournament to be held in Kinston December 19, 20, and 21 and the conference tournament at the end of the season.

"I Led "4" Lives"

By SONIA MATTOCKS
(This is a true story. Only the facts have been changed to protect the innocent. This is the story of a book, that for 4 long years, led "4" Lives.)
The first year of my life was the happiest. I was never to know the ecstasy of those happy moments again. That first year, when I was under the cautious but hesitant care of a Freshman. Oh, that year I was used, studied, and thrown around, but at least someone was interested. And, oh, all those times when I got in a 'Trig' class or Chemistry, by mistake, of course.
Now, comes the period of my life I wish just wasn't there. Because the second year, I was so very lonesome. No one hardly ever picked me up, much less "studied" me or cared about me. Oh, the times I stood there in my locker watching all the other books being used; but not me. Maybe once every six weeks, if I was lucky, I would be taken home, but only to be thrown aside the minute I was brought in. You know, sometimes I felt right sorry for my owner that year. Golly, I just know he couldn't have passed!
You would think that things would be better the next year; but oh no, not for me; things got worse. I was a Junior book now. I know what you're thinking, oh, you must have had an exciting time that year! But that's just what *you* think, because I thought the same thing until suddenly one day, the very worst thing happened, I was lost! And, oh, those awful "months." No one could possibly know just how terrible it was. I was only found when it was too late to do anyone any good.
The last episode of my life was the happiest, that is, since that first year. The most thrilling and wonderful thing happened—I was found!
Thus climaxes the believable story of a book that for "4" frightening years, did LEAD "4" LIVES.

Hallowe'en Dance

By SUE ALLEN
The Senior Boys' Hi-Y sponsored a dance Saturday night, October 29, at the Recreation Center from 8:00 until 11:00.
The Recreation Center was beautifully decorated with Hallowe'en decorations and tables placed along the sidelines of the dance floor. These were covered with black and orange crepe paper and in the center of each table an orange candle was placed. Music was furnished by radio.
If you didn't go, you don't know what you missed. This was one of the best dances any club has ever sponsored.
The officers of the club are:
President, Billy Atkinson; Treasurer, Bill Scott; Secretary, Chris Bremer; Vice-President, Billy H. Edwards; Chaplain, A. D. Sawyer; Sergeants-at-arms, Donald Andrews and Bobby Cotten.
Bobby Pate was in charge of the decorations.

BOOK REPORTS

By CAROLYN HOLLOWAY
"Ah-h! Who's worried about an ole' book report. We still got two weeks anyway."
One week later after having been reminded about the fateful subject every day for a week: "Why does everybody get so shook over such a little thing?"
Two days before: "Golly, I forgot to get a book. Maybe that "monster brother" of mine has a classic comic." But as luck would have it, mother threw all of them away yesterday.
Don't worry: "Well, I haven't got English until second period and I can buy one from "Tightwad Joe."
Beginning of first period and our friend discovers Joe has sold out. "Teacher, teacher, may I be excused?"
Off he goes to the library to get a book. Any old book will do. "Say, that's a nice one. Real big and thick. Bet it has a long synopsis, and she did say we could use notes."
Second period: "This just isn't my day. Imagine her calling on me first. Bet I fool her though."
"Well, ah, unh, this was a swell book. Unh . . . the name of it is . . . unh . . . no, it can't be! I checked out a dictionary!"

First P.T.S.A. Meeting

By TERRY MUNFORD

The first P.T.S.A. of the 1955-56 school years was held Monday night October 24, in the high school auditorium.

The meeting was opened by the President, Mrs. W. J. Gaskins, and a very inspiring devotion was given by Carolyn Arnold. Mrs. Gaskins then introduced Mrs. Richard S. Spear and Dr. Spear, who introduced the high school teachers. After the introductions, Mrs. Gaskins welcomed all those present and extended a special welcome to the freshmen and their parents, after which the program was turned over to Mr. David Walters, the high school band director. The band played several selections which were enjoyed thoroughly by all.

After the program a room count was held and Mrs. Illa Mae Roebuck's twelfth grade homeroom won the P.T.S.A. plaque for having the most present to represent her homeroom.

Following the count, the meeting was adjourned and everyone was invited to the cafeteria for a social, at which refreshments of punch, nuts, and cakes were served by Martha Kay Maultsby, Celia Hahn, Kitty Ferebee, Kitty Whitty, and Terry Midyette.

Before and after the meeting Koleta Shaw, Sara Lou Gaskins, and Terry Munford were on hand to take money for those desiring memberships in the P.T.S.A. and Pat Roe, Nancy Ferrell, and Elizabeth Barnhardt were present to make name tags for everyone attending the meeting.

What's the Bear Cub Club?

By SARA LOU GASKINS

Everywhere you go students are asking, "Well, what is the Bear Cub Club?" *The Bear Cub* is the school newspaper which has been in existence for years; the club just came into being this year.

When students of New Bern High School first started publishing *The Bear Cub*, they worked on it outside school. Then two years ago a new class called Speech & Journalism was formed, and the students in this class worked on the paper. This is the way it stands today with a few exceptions. These are the exceptions: (1) We now have a club which meets every three weeks, and the members of this club help write articles for the paper, and (2) a suggestion box has been placed in the library so that all the students may have a part in helping with the paper.

The editor of *The Bear Cub* is voted upon by the whole school, and the person having the highest number of votes wins. This person must have high English grades and must take Journalism the year that he is editor. The associate editor is usually the person having the second highest number of votes when running for Editor, and the rest of the staff is selected by the Journalism Class.

One of the main purposes (besides writing articles) of *The Bear Cub* Club is to help raise funds for publishing the paper. Each time the paper goes to press it costs approximately \$160. The price varies depending on the number of pictures. The more pictures, the more the cost. It costs between one and two thousand dollars a year to publish the newspaper. (Wouldn't it be wonderful if we had our own printing press?) Five hundred and some dollars of this is raised through ads, one hundred and fifty dollars thru subscriptions, and the remainder must be obtained by other means. Students, when the *Bear Cub* is trying to raise money this year let's remember that they are trying to get funds so that N.B.H.S. can have as many issues as possible of its newspaper, *The Bear Cub*.

THANKSGIVING DAY

By SARA LOU GASKINS

Thanksgiving Day is a national holiday in the United States commemorating the harvest of the Plymouth Colony in 1621, following a winter of great hardship.

When Thanksgiving was first inaugurated, it was a rather insignificant event with only a few Eastern states participating. It was largely through the efforts of one woman, Sarah Hale, that Thanksgiving became a national holiday. She was filled with the determination of having the whole nation set aside a day of national thanksgiving unto Him from Whom all blessings flow. She wrote an endless flow of articles and letters to various newspapers and journals of her time. In addition she pleaded long and earnestly with Presidents Fillmore, Pierce and Buchanan. A small measure of triumph was granted her in 1852 when her campaign succeeded in uniting twenty-nine states in marking the last Thursday of November as Thanksgiving Day.

Then came the dark days of the Civil War. Who would listen to the persistent plea of this woman for "just one day of peace amidst the blood and strife"? One man did. Her plea won the ear of a great American, Abraham Lincoln, and in 1863 he proclaimed the last Thursday of November as the day set apart for the national giving of thanks unto Almighty God. Thus the long cherished hope of Sarah Hale had at last become a reality.

We have much to thank this woman for. If it had not been for her, we might not even have a Thanksgiving Day.

DOG IN THE HALL!!

By CAROLYN HOLLOWAY

"Dog in the hall, dog in the hall!" is a New Bern High School war cry. How many times a day do we see a pack of black spots and brown stripes padding through?

The most fun seemed to be when a little wee-begone, wagging tail dog wanders into four period biology where studious third year "Bugology Pokey" is dissecting a perfect specimen of "Grasshopper Jones."

"Grab that dog!" and off we go. Round and round the tables; chairs and books go crashing; somebody falls in for a formaldehyde bath, while our little canine friend slinks out.

The next time we meet this creature is at lunch. A little flop-eared face peers in at the window. "Oh! those eyes." (Believe you me he isn't really that hungry, 'cause he has eaten my lunch for the past two weeks.)

But the most nerve-racking scene comes when our little friend makes his audition outside the choir room door, howling to the accompaniment of "AuDo Rameus Te."

This 'n That With Ko Ko

Seems that Homecoming weekend was the biggest event of the month. Let's see, there was the parade, the game, and the dance. Then came an open house at Pat Allen's. A carry-over after that was the slumber party. Seventeen girls slept??? This wasn't the only pajama party, as Connie Hobby's house held a few girls too! Quite a time they all had, so I hear.

By the way, have you noticed that the study halls are quieter now than they used to be.

Who says work isn't fun? I think that everyone will agree with me after they have been to the folding parties on Thursday nights that they've worked to help the school and had fun at the same time.

What would you do if someone were to walk up and hand you a "zibeb"? When asked this, several students and teachers said:

Guy Dodson—"Hand it back to them."

Nancy Ferrell—"I reckon I'd sit down and study it."

Mrs. H. Brinson—"What would I do with it?"

B. H. Oates—"Ask them what it is."

Celia Hahn—"Take it and run."

Mr. W. Pittman—"Who gave you that?"

Robert Gillikin—"Say 'thank you'."

Billy Atkinson—"Nothin'."

Marilyn Mills—"Good gosh, what a word!"

Dr. Spear—"Where in the world would you get that?"

Tommy Harman—"I don't know what I'd do with it."

Mr. D. Smith—"Slap his face."

Now for the word. Of course you ALL know a zibeb is a Raisin.

Parker Outstanding At Staunton

"Bud" Parker, all-eastern, all-state, player who starred for N.B. H.S. during the '54 season is doing an equally brilliant showing for Staunton Military Academy in Virginia.

Recently he ran for two touchdowns in a game against Hargrove Military and showed up effectively as a ball handler and punter for the team.

"Bud" is ending his season with Staunton this coming Friday and will rejoin his friends in N.B.H.S. after Thanksgiving. One person in particular is waiting. How 'bout it, Mary Frances?
