January 29, 1951

## EXAMINATIONS ARE OVER!!!

### BOND ELECTION PASSES WITHOUT COUNTY SUPPORT

Tuesday, January 9, the polls in and around New Bern were open from 6:00 a. m. to 6:00 p. m. for the voters who were expected to vote for the bond issue. The voting was not as heavy as was expected and people were afraid the issue would not carry. However, the citizens of New Bern responded wonderfully by voting Yes, making the issue carry in a big way in the city. As was expected, several of the outlying districts were opposed, but their opposition was overcome by the majority vote of the citizens who were for the bond issue. We want to thank all of the students who urged their parents to vote and the parents for voting for a better school.

### PARADE FOR BOND HELD

Tuesday morning, January 9, the students of NBHS sponsored a gala bond election parade in support of the bond issue. Every organization was represented by either a car or float decorated with posters, banners, colored streamers and signs urging people to vote YES!! The parade was led by the cheerleaders, who carried a huge "Vote YES" poster and the music was furnished by the band. Following the band were the different organizations, Hi-Y's, Beta Club, Monogram Club, F. T. A., Latin Club, and student council who made the parade go over in a big way. We are proud of the students who participated in this gala event and even more proud of the citizens who voted YES! Thanks to all of you!

### BASKETBALL TEAM WITHOUT COURT

How would you like to play out on the tennis courts in the cold January weather or only fifteen minutes for practice when you usually have an hour? That is what is facing the teams of New Bern High. The armory cannot be used because the National Guard has been alerted and is having to train there. The girls' team, in order to have their practice one afternoon, had to go all the way to Jasper. The people of Jasper were kind enough to lend us their gym. Because we will not be able to use the armory till the first of February, all home games scheduled in January are either having to be played out of town or cancelled. The boys' team, in order to practice, has to go out in the afternoon between 2:30 and 4:00, making some of them miss their classes.

### NEW HOME ECONOMICS TEACHER

In the Home Ec. building we find Mrs. Kenneth Spruill who is replacing Mrs. Gladys Farnell. Born in Jasper on February 20, 1921, she is 5' 3" tall, weighs 112 pounds and has brown eyes and auburn hair.

After graduating from Woman's College in Greensboro, Mrs. Spruill taught in Sanford for three years where she met her husband and married him on August 15, 1942. Next she moved to Vanceboro where she taught for 2 years, and then Chapel Hill was her home. Now Mrs. Spruill is residing in the Barker apartments in New Bern while she teaches Home Economics. We are glad to welcome her to New Bern High School and we hope she will enjoy teaching here.

### WHO'S WHO IN THE SENIOR CLASS

*John Wayco Gaskins*

When you think of taking life easy, sitting in an easy chair, you naturally think of that easy going fellow—John Wayco Gaskins, better known to you as Jack.

Jack, born 19 years ago right here in dear old New Bern on February 11, 1931, stands 5' 10", weighs 140 pounds, has blue eyes and brown hair. He likes to eat and his favorite dishes are steaks, french-fries and Pepsi-Cola. He likes friendly people but has no need for people who are gossipy, snobbish or bad sports, for Jack is one person who possesses a wonderful personality and he likes for everyone to be happy

CONTINUED ON PAGE SIX

*Martha Emalou Harman*

Rushing to that all important basketball game is our all around gal, Martha Emalou Harman, who is one of the most outstanding girls in our senior class.

Emalou, who was born July 24, 1933, in Lynn, Indiana, and who has lived in New Bern for five years, has made herself well liked by everyone. Lou is 5' 6" tall, weighs 120 pounds, has blonde hair and green eyes.

Whenever you see this popular girl you find her working on some project for the school, for during her four years at NBHS she has been very active. She was a member of the Jr. Tri-Hi-Y.

CONTINUED ON PAGE SIX

"Tomorrow, tomorrow, and tomorrow, creeps in . . ." how does that speech go now? Details, always details! What good is this stuff going to do me anyway?

Ah yes!! That wonderful time of the year has come and gone again . . . Examinations.

It's not quite as bad as all that now, is it? (humm, no comment, only a cold stare). Well, it seems that some came through with flying colors while others just came through flying, and others . . . oh well, let's not go into that.

The year is half over. The first semester is gone and so are examinations. Now it's time to settle down and study for this second semester.

For some of us this will be the last year of school, so why not try to get the most out of it? This goes especially for the boys who will soon be in the service. Every little bit of education counts if you want to get anywhere, even in the service.

The second semester will come to an end and you will hear the moans and groans as exams come up again; so play it cool, study and you can't lose.

### CHOIR MAKES TRIP TO DAVIDSON

The group going to Davidson College to hear Robert Shaw Choral left NBHS at seven o'clock on the school athletic bus. They arrived at Davidson in the afternoon just before time for supper. Immediately after, they were shown to their rooms. The girls stayed in the YWCA while the boys slept in the gym. They had dinner with the students in the college's main dining hall.

The concert began at 8:15 p.

# BASKETBALL SEASON UNDERWAY

## J. V. NEWS

Coach Jim Dickey has spent nearly a month drilling his J. V's in the fundamentals of basketball and his boys are really sharpening up.

Allen Joyner, a substitute on last year's squad, is the spark-plug of this year's team. His hook shot and rebound work has improved greatly and will be a valuable asset to the team this season. Allie Mitchell, a guard, is the outstanding ball handler and play maker for the squad. Mitchell played for the Cherry Point Elementary School last year. Billy Street is the other guard for the team. His deadly set shot is going to raise havoc with all the opponents this season. Sonney Jones, another Cherry Point boy, plays forward. He is the point maker for the team and looks like good varsity material. Carl Coley rounds out the first-string at the other forward and is the best team-man on the squad. Edward Ferguson and Roy Moors, centers, Jimmy Boyd and Robert Kennel, guards and Buzie Boyd and Luther Eastwood forwards, complete the squad.

The Junior Varsity faces a rough schedule this season and the last game with the men's faculty promises to be a good one. Good luck to you in the coming season.

## PAT PATERSON

Pat Patterson, the high scorer for the Bruins, is playing her second year of basketball for New Bern. Pat is 6' 2" and is the main scoring threat. She makes most of her points under the basket. It is hard for the opposing team to get the rebounds when Pat is on the court. Pat has scored 114 points in 7 games which gives her an average of 16.2 points per game. This tall forward is a team player and is well-liked by her fellow teammates. Pat is a member of the Junior class.

## COACH HATTIE LEWIS

As you all know, the New Bern girls' basketball coach is Miss Hattie Ellice Lewis. Miss Lewis is from Emporia, Virginia. She attended the Mary Washington College in Fredericksburg, Virginia, which is a branch of the University of Virginia.

Miss Lewis has been teaching here in New Bern for eight years and has been coaching basketball for five years. Miss Lewis learned the hard way to coach girls' basketball. The only previous experience was in her junior year in college where she played in the junior class team. Before coming to New Bern she coached the girls in Washington, North Carolina.

Miss Lewis is exceptionally proud of her girls and their record. During five years of basketball she has had a winning team for four years. Her winning team for the past four years has lost only 7 games, which is a record of which to be truly proud.

In high school Miss Lewis is head of the Mathematics Department, teaching algebra, plane geometry, solid geometry, and trigonometry.

Miss Lewis is well-liked by her students as well as by her basketball team. We all hope that you will have another winning team this year and in the years to come. Good luck to one of the best girls' coaches and a wonderful teacher.

## NEW PLAYERS ON GIRL TEAM

This year has brought two new players to the New Bern girls' basketball team. They are Sybil Kellum and Ila Grey McIlwain. Ila Grey is from Jasper and is in the Freshman class. She is the main guard substitute who wears number 27 shirt. Sybil Kellum came from Trenton to New Bern in the middle of the season. Sybil is a member of the freshman class and is playing forward.

## GIRLS BASKETBALL

The 1950 season brought good fortune to the New Bern Bruins. Winning four out of four, the girls opened their season with a 50-35 win over Morehead City. New Bern edged the Jacksonville lassies out of a win by defeating them 33-31. On the Camp Lejeune court the girls came out on top with a win of 41-35. The last game in 1950 with Camp Lejeune on the New Bern court proved the Bruins victorious with a 45-35 win.

The first game in 1951 was with Alliance on the Jasper court. The New Bern lassies took the lead during the first few minutes of the game. At half time the Alliance girls led 20-10, and continued to lead throughout the remainder of the game. The New Bern guards held the Alliance team to five points the last half while New Bern scored nine points, but this was not enough to win over the opposing team. The high scorers were Harman with eight points and Patterson with five points.

January 9 and 10 brought good fortune to the Bruins when they defeated Edenton and Jasper respectively. The girls walked away with the game Tuesday night with the Edenton Aces by defeating them 60-30. The entire squad saw plenty of action. The team was led by Pat Patterson with 20 points, Jeanie Hancock with 15 points, Emalou Harmon with 14, Doris Blow with 6, and Sybil Kellum with 4 points. The guards played an exceptionally good game holding their opponents to 30 points. The lassies defeated Jasper 31-19 Wednesday night. The Jasper girls played without the aid of their star who suffered injuries in the beginning of the game. The New Bern girls played one of the best games of the season.

Emalou Harmon led the Bruins with 12 points, followed by Pat Patterson with eleven.

## VARSITY BASKETBALL

With three first-string players graduating, most students looked forward to a just fair basketball season but it has been every thing but that. After a loss to Morehead City and the State "B" Champions Camp Lejeune, the Bears defeated Jacksonville and staged a raging comeback to defeat Lejeune by one point.

The Bears then traveled to Greenville when they suffered a 50-30 setback, but they then went to Edenton where they swamped the "Aces." Gerald Bass and "Junie" Lingman were the standouts for the Bears although they were not regulars. Next they invaded Washington where they had not seen a win in three seasons. This was their night and they brought home a 49-45 victory. The spirit of this game was a sight to behold.

Bunk Stewart and James Diffe have been the scoring aces for New Bern so far this season with Jack Gaskins and Bud Williams close on their heels. "Wimpy" Henderson has provided nearly all of the Bears rebound strength and is one of the defensive men on the team. He has also been dropping quite a few 2-points for the team.

Hugh Brite, the regular substitute, is gone from the team as he is in the Air Force and his place has been taken by "Junie" Lingman.

Although the team is plagued with the loss of players, and short practice periods, their moral is high and determination mountainous. Support your team; if there is any way possible to see a game, go.

## SCORE BOX

New Bern Girls	56
Deep Run	51
New Bern JV	40
Elizabeth City	50
New Bern	29
Elizabeth City	33

## RIGHT TO THE POINT

By Ronald Fellows

It's back to school again after another Christmas vacation (by the way, while we're on the subject, I hope everybody had a wonderful Christmas).

Here at Cherry Point the "gang" was temporarily increased when the rest of the kids came home from school on vacation. They are: Bob Weir, Mercersburg Prep, Penn.; Dick (Sharon's heart-throb) Weir-Orange Coast Prep., Calif.; Ronald Woodruff-U.N.C.; Bill Bullock — Culver Military Academy, Ind.; Al Munsch—Staunton Military Academy, Va.; Richard Henry (Whitey to you) Bullock Prep., Wash., D. C.; Dave Koonce — Severn Prep., Md.; Pete Koonce — Naval Academy, Annapolis, Md.; Bill Koonce — Lebanon High School, Md.; Sally Torrye — St. Catherine's, Richmond, Va.

Although I was unable to attend, I heard that the Christmas dance December 28, was a decided success. Attending the dance were kids from Camp Lejeune, New Bern, Morehead City and Cherry Point.

Fer gosh sakes! In spite of its being mid-winter, it seems as if there's a touch of Spring in the air. Sharon Flaherty says that Dick is her one and only . . . for keeps too. Tell me Sharon, is it really as bad as all that.

Now you take Bob Wall for instance, you can talk to him all day and he won't hear a thing you say. Hey, Bob how was the show last night, did you get your geometry done, where is . . . blah blah blah etc.? Hey, Bob, are you listening, I just said . . . ? You see, no use. All he does is look off into space (a blank look at that) and thinks of, now don't tell me, let me guess . . . that's right, Marea. Oh well can you blame him? Say Bob! Just how serious is it?

If you were to ask Bud Franz what he did over the holidays, he would probably have an evil gleam in his eye and grin on his mouth and start telling you all about Washington, D. C. (and he wasn't going up there as a tourist.) With a gal like Paula, I guess it's worth it to travel all that distance. huh, Bud? Bud

## JR. NEWS

Well Christmas and New Year's are over and we've all sobered up (I hope)! Exams are over at last and I sure hope everyone passed.

Yes, it's all over, for a while at least. So let's all of us Juniors get busy; we have a lot of work to do on the Junior-Senior yet, and that date is slowly creeping upon us. All of you start turning over ideas in your heads — ways to make money, and please tell them to our president, Pokey McSorley, because he can't do it all by himself. We also have to have some good theme for our prom and banquet, so let's give all our good ideas to Pokey written on a paper so they can all be considered.

We have quite a few Junior girls and boys on our basketball teams so let's be sure to support them, for the girls and boys are both doing a swell job and our Athletic Association really needs your financial support and your moral support. Let's get busy and supply that.

It's a cold winter, but those long glorious spring and summer days are getting closer all the time. Let's all really do some studying before then because we all want to be seniors next year.

We are losing some of our boys who are going into service. Let's wish them good luck in their service for our country. We'll certainly miss them all.

The March of Dimes is now on, so please give all you can for this good cause. We in New Bern have been blessed with few cases of polio, but the next case may be you or your friend, so let's help all we can, for you may help save yourself.

Robert Shriver.

say's that every time he sees her, he likes her that much more (sigh). My, ain't love grand?

Sorry to leave you just when it starts to get interesting, but when you gotta go, you gotta go. Until next time remember... if you have any Cherry Point news, then just come "right to the point."

## SR. NEWS

The Senior Class of '51 held its second meeting on Wednesday, January 17, in the auditorium. Mr. Farnell was on hand to discuss the ordering of announcements and also the possibilities of holding the graduation exercises in the Ball Park. There was no decision made. Mr. Farnell then told us of the two "Broadway Productions" which are going to be presented here in New Bern by the local Civitan Club. He asked for our support and assistance in the selling of tickets to these attractions. Next came the reading of the minutes and a discussion pertaining to what type of gift the class would present to the school and how to raise money for this gift. The president appointed a committee, composed of Ann Woolard, Carolyn Riddick, Katherine Whitford, Paul Ellis, and Laurence Stith to consider all possibilities and report their findings at the next meeting. At this point of the meeting, the president nearly "knocked us out of our seats" with the announcement that we could have "SENIOR DAY." This is the first time it has been observed in "mucho" years. "Hats off" to whoever was responsible for this surprising accomplishment.

It is only fitting that there be one day set aside to honor those who have "completed" twelve years of schooling and MOURN the loss of such an outstanding Senior Class!!

So long for now—  
Laurence Stith.

## THE NIGHT BEFORE EXAMS

Billy Salter

It was the night before examinations,

When all through the house,  
Not a creature was stirring  
Not even a mouse.

Alone in a corner sat little Johnny at the desk.

His face was haggard, there were ink stains on his vest.

Beside him were books of algebra history and geometry;

On the floor was strewn papers, as far as you could see.

As he looked over his shoulder the clock struck one,

But anyone could see his work wasn't done,

He looked up at the ceiling and said with a sigh,

OH! how I wish I would die.

Now he arose and walked slowly to bed,

While visions of blackboards and rulers danced in his head.

And as he arose he was heard to say,

OH! how I wish tomorrow was another day.

# THE KATY KORN

Edited by — The Kat

Greetings everyone! It is so good to see all of your smiling faces again. Did all of you have a joyous holiday season? Don't hold out on me for from the looks of all of the "news" some of you really celebrated!!!

Well, Becky, it does look as if your problems will be clearing up—doesn't it? I seem to see a clear blue cloud that is just waiting for you. Here's hoping that your dream will come true!

Mary C., did you enjoy your New Year's? Tray did, so I know you did too. Hey, Janice, your Christmas was a happy one, too, wasn't it.

Cupid has really been busy aiming his arrows for Betsy and Bud. Good luck to you happy people and the same goes for Charles B. and Marilyn W., Paul E. and Marie, and Charles D. and Gunhilde G.

Well, Patsy, that jolly old man was good to you! Good luck to you and Bevil and "mucho" happiness!

Jimmy and Emily seem to be on therocks now. What's wrong you two — don't you know that true love never run smooth?

Hey, Charles, has the love bug finally gotten you? What does Betty B. have to say about all of this or is she going to keep silent.

Tommy, did you have a good time in Texas? How is Emily getting along without you and you without her???

Pat, how was that week-end in Raleigh? Did you see that certain State boy. I bet you did!!

What about all these gals in NBHS getting married. There sure will be a lot of 'old maids' left, wont there??

News about Shirley and Brantley has been kinda scarce lately. The reason may be that they have decided to call it quits. We hate to see them break up but if they are not happy together then maybe this is the best way.

Barry, who are your new flames? Those gals are mighty cute but which one is it to be

—Barbara or Lib??

Aggie, did you enjoy the dance at Cherry Point? He was mighty cute—you better hang on to him for "a good man is kinda hard to find now-a-days."

Doris, was your New Year's Eve with Floyd all it should be and then some? Since he has joined the National Guard you can now make good use of those precious memories.

There is a certain senior gal who sure enjoyed her Christmas. Could the reason be because Joe was home, Madie? Don't get too lonesome, for he will be coming back to you.

Sally, Ken couldn't get here for Christmas himself but he certainly sent a "pretty substitute." He won't be gone forever, so don't worry too much over him.

Betty M., who are you in love with? Everytime I see you, you are with some one new. Does that boy in Raleigh still have a place in your heart? Come on now, don't be so secretive!

Jack and Mary Windley seem to be one of Cupid's subjects also. My hat is off to you, Cupid, for you couldn't have picked two nicer "targets" than Jack and Winnie.

Carolyn R. appears to be lonesome now that "Uncle Sam" has George. For someone to be so lonesome, she sho' is keeping plenty of company.

Roy H., when are you going to get that woman of yours? California is a longway off but not too far for a long distance 'collect' phone call is it???

Shirley T., have you turned hillbilly?? I see you are always 'ging the "Tennessee Waltz." Wonder why??

"Queenie," that shore is a beautiful dinner ring you are sporting. 'Santa Gene' was some kinda good to his little gal. Wasn't he??

Robert S., is there anything between you and that old flame of yours? I know there used to be and I was just wondering.

Gals, you better hook your man before he gets drafted. How about that Alex, Lonnie and Joe Mac?

Emma, who is this new flame of yours? Pretty nice fellow isn't he??

Virginia and Junie seem to be hitting it off just fine. Virginia how was Christmas without Junie? No one can take his place can they?? Not even Whitey.

One couple in NBHS has got it bad. Come on let's wish Robert R. and Doris B. the best of luck.

Well, I guess it is time for me to sign off, so until the next issue, this is The Kat saying—So Long???

Congratulations to the newly weds...Marcheta and Bob. They went to South Carolina on Friday, January 19, to take the fatal step. Good luck, you two.

## CAN YOU IMAGINE

1. Mary Lane through wiht her term paper.
2. Helen Kafer without her curls.
3. Gatsey Matthews without her giggle.
- 4...Dollie S. working her Solid Geometry.
5. Miss Oates engaged.
6. Phil Jordan without his cigarettes.
7. NBHS without the boys who are in the National Guard
8. Temple without Joe.
9. Mary Windley without her knitting.
11. Alex Holton in overalls.
12. NBHS without classes from 3:15—4:15.
13. Everyone passing his exams.

WE CAN'T.

## CHOIR MAKES TRIUP

CONTINUED FROM PAGE ONE

m. Wednesday night at the Chambers Auditorium.

The highlights of the concert were Mozart's "Requiem Mass" and excerpts from Gershwin's "Porgy and Bess." The audience, enthusiastic over the magnificent performance, called and recalled the choristers for encore after encore. Two of the many encores were "Oklahoma" from the Broadway musical of the same name, and "There is Nothing a Dame" from the musical smash, "South Pacific."

The Robert Shaw Chorale is one of the most outstanding groups of this kind in America. They record for RCA Victor and are now making an extensive tour of the country.

The high school group left the college at eight-thirty.

On their return they visited the Thomasville Upholstery Co. where they saw the manufacture of furniture from its beginning stage. They also stopped in Burlington and visited a hoisery mill where many varieties of brands of hose are manufactured.

## GASKINS

CONTINUED FROM PAGE ONE

and free of worry. Of course we can't overlook Emalou, his love, for she also happens to be an outstanding senior.

High School has kept Jack pretty busy, especially in the sports field. He has played four years on the football team as one of our outstanding players, and has four years of baseball where he was one of the star pitchers. In basketball Jack was elected to captain his team for the second year and is always in there fighting and racking up those points for NBHS. Jack has a never-say-die spirit and is one of the team's most valuable players. Along with his sports, Jack is a member of the Choir, Hi-Y, Vice-President of the Monogram Club, Student Council, reporter for The Bear Cub, and a past member of the Glee Club. His high school days have really been filled and everyone has benefit-

## HARMON

CONTINUED FROM PAGE ONE

serving as vice-president, and Poet Laureate. She is chaplain of the Sr. Hi-Y. She was President of the Sophomore class, member of the Beta Club, Secretary of the Monogram Club, member of the Student Council, Bear Cub reporter, Subscription Chairman of the Bruin for two years and was elected Captain of the Girls' Basketball team. Emalou is one of the fast playing first string forwards and at the time of this writing is second highest scorer with 47 points! So you can see that Emalou is outstanding for her ability to play basketball as well as for her scholastic record.

Emalou is a sports lover, preferring basketball to the others. She likes fried chicken, steaks, cake, midnight snacks consisting of ham sandwiches, and "Pals". Baby blue and pink are her favorite colors and her hobby is collecting dolls of all sorts and stuffed animals. Her main "like" must not be excluded, for he is one of our outstanding senior boys — Jack Gaskins.

Emalou's future plans include college and then, like most girls, a home and a family. To you, Martha Emalou Harman, one of NBHS' most popular students, we wish plenty of luck and happiness.

ted from his activities, for by doing the things he most enjoys he has helped bring enjoyment to others.

Jack plans to enter college if Uncle Sam does not "call" him first, but so far he has not decided which college. Good luck to you, Jack, in all that you do, and always remember the wonderful days at NBHS.
