PEP RALLY

More fun!! More Spirit!! I have never seen and heard such wonderful school spirit. The Pep Rally was really jumpin!! This year, so far, the school has shown more school umph than I've ever heard.

The group started at 6:45 in front of the armory. From there thru town they paraded to the post office. Everything started in full round tone about 7:30. The band and the cheerleaders, dressed in their new red and white skirts, led the big group in all the favorite yells and quite a few new ones. After some of the yells, Mary Windley Dunn, head cheerleader introduced our coach and his wife—Coach and Mrs. Joe Caruso. Following the introduction of the coach, two of the well-known senior football players, were introduced. Joe Mavretic and Joe Pearson each gave his view of the date to play Washington and reviewed us on the previous games. After the Pep Rally the group adjourned to the Rec. Center for quite a successful dance.

UM! THOSE GAL!

Have you ever seen such a cute bunch of girls as the 1951-52 cheerleaders? They've got pep, looks, and I doubt if you can think of anything they don't have. Which reminds me—have you seen their new skirts and beanies? When all the girls run across the field they are the very spirit of New Bern High. Those new cheers are just darling too!

I don't know whether it's the cheerleaders but I have a feeling they have a lot to do with getting so much wonderful response at the games.

Oh yes! To those that are new I would like to introduce the

The members decided to make footballs to sell at the games and also to sponsor the high school radio program. The time of the regular meetings was changed to Monday nights at 7 o'clock.

The new members for the ensuing year were selected as follows: Shirley Keith, Kay Blackwell, Mary Lou Harker, Kay McCos-

BAND AND MAJORETTES

The New Bern High School Band really shows great marching ability this year. The fine selection of spirited marches chosen by the band is a great asset. Patsy Bevil, chief majorette, Pat Allen, and Carol Oliver are our elected and attractive high-stepping majorettes. Congratulations to you and the rest of the band on such a fine performance. September 21.

Have you noticed the intelligent-looking new faces among the band members? New blood, talent, too! We know that they are capable of living up to the excellent reputation of our band.

Everyone likes those musical cheers. Hep! Hep! Maybe we can have more of them, eh? Hats off to Mr. Benson for his fine work with the band and cheerleaders.

So long for now—see you next issue!

MEET THE FACULTY

I am sure that by now all of you have met our fine principal, Mr. William Earl Brinkley. Mr. Brinkley's home town is Thomasville, N. C., a city about the size of New Bern in Davidson County.

Mr. Brinkley and his charming wife and two fine children, Billy, age nine, and Julia, age five, have made their home at 1422 Park Avenue, New Bern, N. C.

Mr. Brinkley did his undergraduate work at High Point College and his graduate work at the University of North Carolina. After graduating he began teaching in 1938 in Candor, N. C. He taught there for three years and then taught at Apex, N. C. for one year and then at Whiteville, N. C., from 1941 until coming to New Bern.

Mr. Brinkley has been interested in all sports since his school days and just for the record, he played three years of professional baseball. In 1941 he played for Goldsboro in the Coastal Plain League. That year he played against the Bears in New Bern a few times and now congratulates us on our progress since that time.

In 1943 Mr. Brinkley coached an American Legion Baseball Team that went to the Little World Series in Miles City, Montana. Mr. Brinkley has coached baseball, basketball and football. Although he is not coaching now, he wants to back our team one hundred percent.

Mr. Brinkley's favorite hobbies are fishing (although he seldom finds time to put that rod and reel to work) and training hunting dogs.

You can be sure that Mr. Brinkley would not be happy if

Cooperation is essential if a school is to be run successfully. Everyone must cooperate with our principal so he can manage the school's affairs satisfactorily. We must keep absences to a minimum. Tardies, in most cases, could be eliminated. Do not be one of those between-classes-chatterers who dash in their rooms just as the bell rings.

If the cooperation in attendance can be kept as good as it was in the New Bern v Washington game, we are destined to have a winning team. With that kind of support in cheering and attendance the player's spirit is built up and the financial status is also raised. It's up to us if we are to have a successful team.

Our high school has its organizations for only one purpose and that is to serve the school. By cooperating with and supporting these organizations we will be doing the school and ourselves a good service. I am a member of a number of high school clubs and from experience I can tell you that a club is what the members make it. I have seen clubs that just cut up and play and never accomplish anything worth while. I have also seen clubs that work efficiently and do great things for the students. If the foolishness is eliminated and there is cooperation among the

Cooperation with our teachers means good grades and means that we will know and understand the subjects we are taking. When a lesson is assigned, if we prepare it we will have no trouble with the work. Cooperation on class means following instructions carefully and listening to the teacher. A student can learn more by listening attentively to the teacher than by any other method of studying.

Remember, cooperation in all the fields mentioned will give us a happier school year and a more profitable one.

DOWN TO THE POINT

Hello! This is your new Cherry Point reporter greeting you for the new year. I know everyone is just tickled pink with the thoughts of awakening real early and riding those nice school buses.

It seems as if there are parties going on all the time. I got a tip from Joyce Bass was surprised by a birthday party Sept. 15, given by Rose Lee Waddell. There were about thirty people there and a good time was had by all.

A belated birthday greeting to you, Barbara Fitzgerald. She had a party last Saturday night with about sixteen present. Carol Reeves also gave a party attended by twenty-five people. That's right folks; keep Cherry Point jumpin'.

Cherry Point seems to be alive with football players. There's Joe Mavretic, the captain. James Diffie, Bill Koonce, Delano Sutton. All are outstanding players. Wait, there's more yet! Gerald Bass, Sonny Fones, Billy Sermons, Ed Ferguson, Henry Smithwick, and Adolph (Cuti). At least Cuti was with us—He left for Morehead a few days ago—The girls already miss this young Casanova.

Welcome to all you new people. I hope you will enjoy your coming year in New Bern High School.

If any of you Cherry Point readers of this column have any gossip, or if you have a birthday, a party, a new fellow or gal, let me know and we'll let the whole school know.

Well, I have to say goodbye for now. I hope you think that I only half fulfill the splendid job that Ronnie Fellows did on this column last year. He is now in California—Bye until next time.

FOOTBALL REVIEW

NEW BERN VS ROCKY MOUNT

September 7

ROCKY MOUNT 40
NEW BERN 2

The New Bern Bears left for their first game of the season in Rocky Mount with a new coach, a new system and five players sidelined.

Dick Wade, the regular quarterback, Tommy Smith a tackle, Roy Fagan the alternate quarterback, James Diffie and Al Laughinghouse a guard were the members of the injured list.

Head Coach Joe Caruso fielded an inexperienced squad and although the Bears lost, they played hard, driving football. Inexperience was the main binder of the squad but the will to keep trying and to never give up was seen all over the field. Valuable playing experience was loaded up by the squad and they ended the game a much wiser squad.

Bill Koonce was the most outstanding lineman on the squad and Ken Vernelson was the Bears' key man on offense.

HIGH SCHOOL FOOTBALL SCHEDULE

Home games of the season will be as follows: September 14, Oxford high; 1, Washington; October 12, Camp Lejeune; November 2, Elizabeth City; 16, Kingston.

Games away from home will be: September 7, at Rocky Mount; 28, at Roanoke Rapids; October 5, at Edenton; 19, date open; 26, at Greenville; November 9, at Morehead City.

NEW BERN VS. OXFORD

September 14

OXFORD 18—
NEW BERN 0

Although they failed to score, the New Bern Bears constantly knocked on the goal line of the scrapping Oxford team. Throughout the first half, each Bear attack was nipped in the bud by fumbles. From the beginning of the second half to the final whistle the Bears played Oxford off their feet. Ken Vernelson drove through the Oxford line at both ends and the middle to pile up most of the rushing yards for the Bears while Joe Pearson and James Diffie snagged passes for the air yardage.

Coach Caruso was well-pleased with the work of the defensive line and praised them for their fierce line play near the goal. Six sophomores were starting players on the defensive platoon and played exceptionally well. It must be remembered that these boys have two more years in which to play football for our school. Doug Sasser and Redden Kelly were the outstanding linemen for the Bears, while Vernelson was again the big gun for the offense.

NEW BERN VS. WASHINGTON

September 21

NEW BERN 7—
WASHINGTON 13

The New Bern Bears have improved with each game. Their defense has thus far outshined the offense but is rapidly being challenged by a set of hard charging backs and a fierce line. Coach Joe Caruso was well-pleased with the Washington game even though the Bears came out on the short end.

Dick Wade, the Bears' quarterback tallied for the only New Bern score on a 57-yard run—Vernelson booted the extra point.

The Bears held the Pam Pack like a stone wall all the second half but just could not cross the double stripe. James Turnage, Roy Riggs and Robert Kennell were the outstanding linemen for the Bears and Lee Atkinson and Dick Wade shared equal honors in the backfield.

The game with the Pam Pack was the first conference game of the season and a huge crowd turned out for the game. The student support was the best in many years.

3. The students and Cheerleaders for their school spirit.

4. "Coach" Caruso for his talent on the football field.

5. Bear Cub Staff for their wonderful paper.

ONIONS:

1. Students and teachers who fail to support the football team.

2. Teachers who give so much homework.

3. Students who will not cheer.

4. Students who do not attend the Teen Age Club.

5. Couples who are always arguing.

V. Presi.—Dick Wade.

Secretary & Treasurer — Betty Russell.

Chaplin—Jeannie Hancock.

Miss Hodges' home room 12-2 elected home room officers as follows:

Joe Hughes — President.

Pokey McSorley — Vice President.

Mary Carter Tisdale — Secretary.

Edward Grey — Treasurer.

It seems the Seniors had a meeting in the main hall Wednesday September 26, but was adjourned before it even got started. Let's keep the meetings together. (Say what, Mary W. and Joyce B.?)

See you next month with more news on the Seniors and their activities, so be good, be happy, and stay in school.

WELCOME!

We of New Bern High School wish to welcome all the new members of the faculty and the new students including that huge Freshman Class. We hope that all of the new faculty members will enjoy teaching in our school and that you will stay long enough to enjoy the new school building. We are sure that there are enough clubs and other activities to keep you busy.

We hope all of you Freshmen will get right in the swing of things. Each one of you can help the clubs by joining them and giving them your support. If there is any thing you do not understand, do not be afraid to ask someone for that is the only way to get anywhere. Mr. Brinkley needs your support and cooperation, so please give this to him so that the school as a whole will benefit by it.

For those of you, both students and faculty, who are new in New Bern (the cradle of North Carolina and the land of polluted—I mean enchanted waters) we hope you will like it. We have many flies and mosquitoes around in the summer but we also have a cool breeze almost all the time. It gets cold here in the winter and sometimes we have a deep snow of about six inches which means a three-day vacation from school because students who live in the country cannot get into town. In case you are still wondering, one of the buildings on the campus is the oldest school in North Carolina. But seriously, our desire is that all of you 'strangers' will enjoy your life in New Bern. We want you to feel at home for you are just as much a part of this school as we who were born here.

Good luck throughout the entire year!

The above officers also help all the committees with their many duties. We hope to learn and enjoy singing as well this year as they have in the earlier years.
