Greetings From Our Principal

Mr. W. G. Keyes, Sr.

Again this year, it is a pleasure to greet you and to offer words of praise for a year of work well-done. I have watched you grow from the time you arrived last August to the present time. You have, not only physically, but socially, morally and I would say spiritually kept the pace with yourself. This is an indication of true growth.

Today's youth is much better prepared than yesterday's youth. The problems, thus the pressures of life demand this better preparation. So the challenge is not just the challenge to pupils, but more of a challenge to the adults who teach in the schools to help our pupils meet this challenge. I am sure that I speak for the entire staff and me in saying that we try to meet the challenge of today's pressures in what and how we teach daily here at J. T. Barber.

As you enter high school next year - at New Bern Senior High and perhaps at other schools in North Carolina or other states, carry with you all of your virtues, all of your energies, will and confidence. When this is done, yours will be continued success.

Girl's Team Post Outstanding Record

Barber's girls have enjoyed another fine season of basketball for 1973-74. After a poor start with two losses, the girls came back with a sensational win rally of six straight games, with only the final game as a loss.

Hopefully all the girls learned the meaning of good sportsmanship, cooperation and team effort. I would like to see each girl continue in athletics for years to come.

Congratulations to Bettie Gooding and Ethel Simmons. Betty was high scorer for the team with a 17 point game average and Ethel was the team's leading rebounder. However, without the other players, our season would not have been as successful.

My thanks to Mamie Jones and Daisy Morris for their assistance in coaching. Without their help my job would have been impossible.
